

Overview

The Dotworkz ST-HB-POE is an engineered outdoor housing system that is designed to expand virtually all indoor box & brick camera models to allow for quick installation via PoE+ powered housing solution into a complete rugged outdoor system solution.

Virtually Indestructible housing solution for the a wide array of harsh environments. IP66 NEMA 4X ingress protection of housing, provides the highest levels of protection from water, dust, marine, and vandal abuse.

Key Features

- Designed to Simplify Powering of Housing using one Ethernet Cable for Power and Data, via PoE+
- External RJ-45 Quick Connect (IP67 connector) for quick installation
- Integrated Thermostatically controlled Heater
- Integrated 10 CFM Blower fan
- For low power box / brick style cameras up to 18w
- Vandal Tough Housing protection
- External IP67 Ethernet Quick Connect Integrated
- Easy Access / Easy Install of customer supplied camera
- 12 VDC @ 18W available for camera powering

Applications

Easily Integrate camera and housing into a wide range of outdoor applications via PoE+, to allow camera and housing to be powered by a single Cat 5e/ Cat6 Ethernet cable.

Extra heavy duty Dotworkz "Strong Arm" provided with housing for any wall mount based deployment. The EZ Lock Pole & Speedy mount (# BR-MPM1) is available & sold separately for additional mounting options.

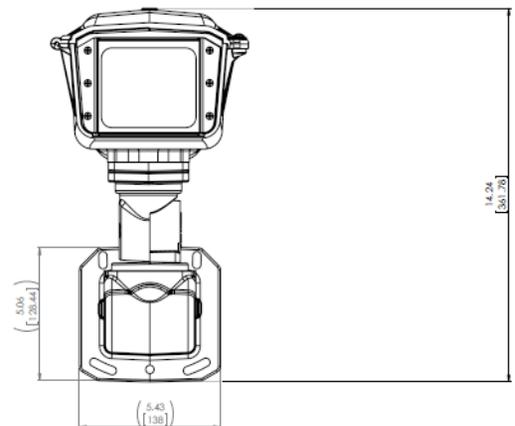

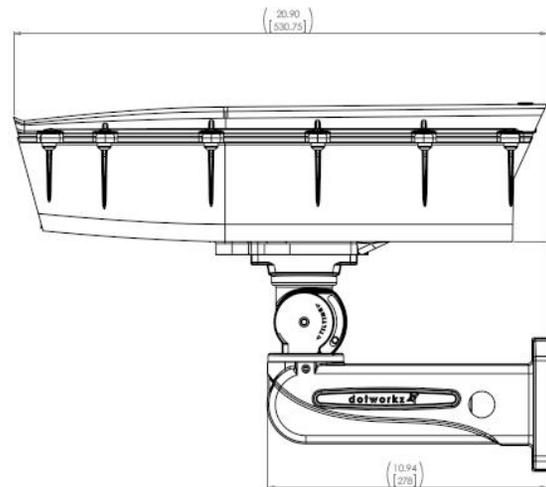

Good for commercial, Industrial, remote, coastal, and wide range of environmentally challenging installation.
